EAGLE

Capital Appearance—The Beatles performed for a youthful audience in Washington on the night of February 12.

Opening for Juniors—These college juniors joined the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did surveying work near Taos, N.M. After graduation they will be sent to Latin America.

Ranger on Target—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

Family Grieves—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

New Teen-Age Queen—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

World's Fair at Night—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.

1963-64 SENIORS

ADMINISTRATION

I would like to take this opportunity to congratulate the seniors of 1964 and 1965. It is fitting that this book be dedicated to the Seniors of 1964.

We have been through an unusual adversity during the past two years. The students have been very understanding and helpful in our dark hours. Never before in the History of Dyess High School have the students, teachers, and patrons had to face such times as the last two years have been.

We have our new school plant almost completed now, and it is one that we can all take pride in being associated with.

May the years to come bring happiness and success to all students who have attended Dyess High School.

Chou Listens—Red Chinese Premier Chou En-Lai held an earpiece as he listened to an address by the Soviet Union's new party leader, Leonid Brezhnev, during a meeting of world Communists in Moscow on November 6. Alexei Kosygin, Soviet premier, is at right.

They Died in '64—These world figures died during the year. From left are Prime Minister Nehru of India, General Douglas MacArthur of the United States and former President Herbert Hoover.

Stretcher Cases—Wounded white hostages and Belgian paratroopers were carried from rescue plane at Leopoldville after it arrived from Stanleyville November 24. The paratroopers descended on the rebel-held Congo city just as a massacre of hostages began, and their quick work saved the lives of hundreds.

Alliance Talks—British Foreign Secretary Patrick Gordon Walker, left, talked with West German Chancellor Ludwig Erhard in Bonn on November 15 during efforts to find a compromise on a new nuclear force for the troubled Atlantic Alliance.

New President—Foreign Minister Giuseppe Saragat (right) was formally notified in Rome on the night of December 28 that he had been elected president of Italy.

Democratic Victor—President Lyndon Johnson won the 1964 election by the greatest plurality and per cent of the total vote in U. S. history. Johnson became President at the assassination of John F. Kennedy in 1963.

Barry's Battle for Votes—Sen. Barry Goldwater was surrounded by fans at Knoxville, Tenn., airport September 16 as he campaigned for the presidency on the Republican ticket. The conservative senator swept to a first-ballot nomination at the convention in San Francisco.

Nobel Prize Winner—Dr. Martin Luther King, Jr., right, was greeted by Richard C. Patterson, commissioner of public events, at Kennedy International Airport Dec. 16 on arrival from Europe. Dr. King was in Oslo to receive the 1964 Nobel Peace Prize.

I'm the Greatest—Cassius Clay whooped it up with his handlers after he won the world heavyweight title in Miami Beach in February. He was credited with a technical knockout of Sonny Liston when Liston failed to answer the bell for the seventh round.

Alaskan Quake—A whole line of cars rested about 20 feet below street level on a main thoroughfare in Anchorage the day following the disastrous earthquake on March 27.

Winnie at 90—Winston Churchill acknowledged cheers of well-wishers who gathered outside the window of his Hyde Park home in London on November 30. The occasion was his 90th birthday.
